## Welcome to the Business Analyst Program

We are delighted that you have chosen to join our firm, and hope that your experience in the Business Analyst program is the beginning of an exciting and challenging career.

To prepare to engage fully in the learning offered during the program, please complete the pre-work assignments--including assessments, readings, templates and learning modules--on this web site. In addition, you will receive important training at the local offices prior to your travel to Colorado.

Before departure be sure to review the arrival information on this site as well.

We look forward to meeting you in Colorado!
